Minnesota Sports Facilities Authority

Minnesota Multi-Purpose Stadium Request to Submit a Proposal for providing

Construction Period - Downtown East Parking Ramp Management Services

I. GENERAL INFORMATION

The Minnesota Sports Facilities Authority, a corporate and political body having all the rights, powers and immunities of a municipal corporation (the “Authority”), is issuing this Request to Submit a Proposal (“RFP”) for construction period management services for the Downtown East Ramp adjacent to the currently under construction new Minnesota multi-purpose stadium (the “Stadium”) located in Minneapolis, Minnesota.

In 2012, the State of Minnesota enacted the Act to establish the Authority and to provide for, among other things, the financing, construction, and long-term use of a new multi-purpose Stadium and related Stadium Infrastructure as a venue for professional football and a broad range of other civic, community, athletic, educational, cultural and commercial activities. The Stadium is currently under construction and slated for completion in July 2016.

As part of the Stadium Plaza that is owned by the Authority, there is a 453-space underground parking Ramp that is currently available for parking. The Authority is issuing this RFP to solicit a company that could provide Parking Management Services during the construction period of the Stadium, which is assumed to be from the time of the award of this construction period parking management services contract (assumed to be September 1, 2014) through December 31, 2015, (the “Construction Period”). It is anticipated that during the Construction Period, the number of construction workers present on the Stadium Site will grow to over 1,000 with hundreds of additional construction workers on the nearby Downtown East Site which is separately proposed for redevelopment by other parties. The Downtown East Parking Ramp, located adjacent to the West side of the stadium construction site is well situated to serve the needs of the construction workforce as well as other parking demand in the area. A more detailed description of the Downtown East Parking Ramp is set forth in Section II.

II. STADIUM, DOWNTOWN EAST RAMP DESCRIPTION

The Stadium is to be located on a site partially including the site of the now demolished Metrodome stadium and also including additional adjacent land to be acquired. The Stadium Site Plan for the Stadium Site is attached hereto as **Appendix A**. Construction of the Stadium and Stadium Infrastructure began in the 4th quarter of 2013 with substantial completion of the Stadium and Stadium Infrastructure anticipated to be achieved on or about July 15, 2016. It is anticipated by Mortenson Construction, the Stadium construction manager, that the workforce on the Stadium Site will be comprised of approximately 400 persons by July of 2014, growing to over 1,000 persons by April - June 2015, tapering down thereafter until Stadium construction is completed in July of 2016.

In addition, as a part of a large multi-use development of the surrounding area, the Downtown East development will be developed adjacent to the Stadium Site over a five (5) block area as a mixed-use project that will include office space, a parking ramp, multi-family housing, retail space, skyway connections, and green space (“Downtown East”). The preliminary Site Plan for the Downtown East Site is attached hereto as **Appendix B**. It is anticipated by Ryan Companies, the developer of Downtown East, that the workforce on the Downtown East Site will be comprised of approximately 300 persons in July of 2014, growing to approximately 1,000 persons from the period of December 2014 to June 2015, tapering down thereafter until Downtown East construction is completed by Ryan, presumably sometime in 2016.

As a part of the Stadium Plaza there is a permanent structure that, among other things, contains a 453-space underground parking ramp (the “Downtown East Parking Ramp”), the structure also contains restroom facilities and the Plaza Concession Stand. The Downtown East Parking Ramp, which opened for operation in 2003, currently consists of a:

- Two (2) level underground Parking Ramp;
- 453 parking spaces on levels P1 and P2 of below ground covered parking;
- The entry & exit to the ramp is located on Park Street between 4th and 5th Avenue;
- There are contract parking revenues of approximately \$18,000.00 per month;
- On-site office;
- Storage areas currently occupied by the Authority; and
- Credit card/access card system.

III. DOWNTOWN EAST PARKING MANAGEMENT SERVICES

The Proposer selected by the Authority to manage, operate and maintain the Downtown East Parking Ramp and provide Parking Management Services during the Construction Period will have the following basic duties:

- Manage and operate the Downtown East Parking Ramp, and render the usual and customary services incidental thereto, in a professional, businesslike and efficient

manner, and provide supervision and inspection adequate to properly manage the Downtown East Parking Ramp on a daily basis during the Construction Period;

- Maintaining any and all equipment in the Downtown East Parking Ramp in a good operating condition and maintaining the Downtown East Parking Ramp and the surrounding area used by the Proposer in a safe, clean and professional manner;
- Providing parking and all Parking Management Services for the Downtown East Parking Ramp in accordance with Applicable Law;
- Hire, pay, provide benefits for and supervise sufficient experienced and qualified personnel who will render the services required by the operation and maintenance of the Downtown East Parking Ramp;
- Perform its duties in a diligent, careful and professional manner to maximize all potential revenue and to minimize expenses and losses;
- Operate the Downtown East Parking Ramp on the days and hours designated by the Authority, contemplated to be 24 hours a day, 365 days a year;
- Maintain and monitor remote surveillance camera system, remote call box/screech alarm system, remote ingress/egress functionality monitoring, remote pedestrian access control monitoring, parker access control and dispute resolution, lost ticket and fee computer management;
- Provide accounting and related reports as approved by the Authority;
- Collect from transient users and monthly parkers at the Downtown East Parking Ramp, parking fees and other charges as approved by the Authority;
- Set aside the necessary parking spaces required by the Authority;
- Maintain all appropriate insurance coverage for the Downtown East Parking Ramp;
- Make arrangements for all utilities, services, equipment and supplies necessary or desirable or requested by the Authority for the management, operation, maintenance, and servicing of the Downtown East Parking Ramp. The cost of same shall be deemed operating expenses;
- Procure and maintain all necessary permits, licenses, or otherwise required by a Federal, State or Local governing authority to operate the premises; and
- Preparing an initial Operating Plan for approval of the Authority that sets forth the operating parameters of the Proposer for providing parking and Parking Management Services including days and hours of operations, parking rates and methods of providing Parking Management Services. The Operating plan shall provide an

estimate of gross receipts and operating expenses which Proposer expects to receive and incur during the Construction Period.

IV. SUBMITTING A PROPOSAL

Each Proposer should carefully examine all proposal documents and any other revisions, and thoroughly familiarize itself with all requirements prior to submitting a proposal.

- A. The following timetable has been established by the Authority for the issuance, response and award of contract for the Parking Management Services during the Construction Period. The Authority reserves the right to modify this timetable and will notify each Proposer of any change in the schedule.

Proposals received after **2:00 P.M. (CDT) on June 24, 2014** may not be accepted.

- F.** All Persons responding to this RFP are subject to the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13. The Proposers shall note with their submittal any privileged information or other private data in or withheld from their submittal, and shall contact the Authority regarding confidential treatment of such privileged information or other private data.
- G.** The Authority, at their sole discretion, shall have the right to determine whether any particular Proposer has the qualifications to proceed in this process based on the Proposer's response to the RFP. Several factors may be considered when making such determination including, but not limited to: (i) demonstrated understanding of and responsiveness to the requirements of this RFP; (ii) the Proposer's past experience and current experience in operating similar facilities and providing similar services requested as a part of this RFP; and, (iii) the Proposer's financial response.
- H.** Execution of Proposal:
- If the Proposer is a corporation, a duly authorized officer of the corporation, with the designation of the signer's official capacity, will sign in the name of and under the seal of the corporation offering the Proposal. The Proposal will show the State in which the corporation is chartered, and if the State is other than Minnesota, the proposal will show that the corporation is authorized to do business in the State of Minnesota.
 - If the Proposer is a partnership, a general partner will sign the Proposal in the name of the partnership or other person duly authorized to bind the partnership. The capacity and authority of the person signing will be shown.
 - If the Proposer is an individual or sole proprietorship, the individual person, stating name or tradename, if any, will sign the Proposal.
 - In any case, the Proposal will show the present business address of the Proposer at which communications from the Authority and notices served are to be received.
- I.** The Authority reserves the right to withdraw this RFP at any time and for any reason, and to issue such clarifications, modifications, addenda or amendments, as they may

deem appropriate. The Authority reserves the right to negotiate with one or more Proposers at any time and to request additional information, clarifications, modifications, addenda or amendments from one or more Proposers at any time.

- J.** All information, suggestions, ideas, work product, drawings, designs, system ideas or plans and documents of the Proposer submitted in connection with the Proposal, whether in written or electronic format or presented during a presentation, will become the property of the Authority and the Authority will not be obligated to return the same to the Proposer. The Authority may use any and all information, suggestions, ideas, work product, drawings, designs, system ideas or plans and documents in any manner it may, in its sole discretion, deem appropriate. Selection or rejection of any Proposal will not affect the right of the Authority to use to any information, suggestions, ideas, work product, drawings, designs, system ideas or plans and documents of the Proposer submitted in connection with the Proposal.

V. PROPOSAL REQUIREMENTS

Each Proposer will submit, at a minimum, all of the following information:

- A.** A list of corporate officers/owners of the Proposer and their experience in providing similar services.
- B.** A list of other locations/venues that the Proposer manages or operates or has managed or operated and provided all or a part of the Parking Management Services requested as a part of this RFP or provided similar services within the past three (3) years. Please provide detailed information on at least five (5) similar facilities that the Proposer operates or manages, e.g., name, address and telephone number for such similar parking ramps under management, key contact name, length of time served, contact nature of services provided and other relevant information that describes the Proposer's experience.
- C.** A detailed description of the Parking Management Services and the manner of service that the Proposer would envision providing during the Construction Period with regard to Downtown East Parking Ramp including:
- A proposed Operating Plan and budget for the Construction Period
 - Proposed parking rates
 - Recommended equipment upgrades / changes
 - Recommended staffing plan (including wages and fringe benefits)
 - Recommended revenue enhancements

D. A fee/payment proposal to the Authority by the Proposer for the use of the Downtown East Parking Ramp during the Construction period. The fee/payment proposal shall set forth the Proposers:

- Fixed monthly or annual management fee for day-to-day management, operations and maintenance of the Downtown East Parking Ramp
- Alternative Fee proposals tied to:
 - (i) revenue guarantees
 - (ii) operating expense guarantees
 - (iv) net operating results; and/or,
 - other such alternative(s) that provide guarantees related to revenue generation or limit the exposure of the Authority to annual operating costs/losses.

If the Proposer fails to provide the required submittals as herein delineated it may result in the Proposer being declared nonresponsive and the subsequent rejection of its Proposal.

VI. EVALUATION OF PROPOSALS

- The Authority will evaluate each responsive Proposal using such criteria as the Authority may determine in their sole discretion, including requests for clarification or additional information, if required.
- The Authority, in their sole discretion, may determine whether particular Proposers have the qualifications to provide the Parking Management Services requested as a part of this RFP.
- The Authority may eliminate, in their sole discretion, those Proposers that are deemed non-qualified to provide the Parking Management Services, or a portion thereof, or that are deemed nonresponsive according to the terms of the RFP.
- The Authority may reject all proposals and decide to provide the Parking Management Services requested as a part of this RFP without the assistance of any Proposer.
- The Authority reserves the right to accept or reject in part or in whole any or all Proposals submitted and may elect to enter into one or more separate agreements for the services with one or more Proposer.
- The Authority will not be required to state or indicate any reason for rejection of any Proposals or those that are deemed non-qualified to provide the Parking Management Services, or a portion thereof, or those that are deemed nonresponsive according to the terms of the RFP.
