

REQUEST FOR QUOTATIONS

PREMIUM FOOD SERVICE PRESENTATION

FOR CAPITAL IMPROVEMENT TO U.S. BANK STADIUM
IN MINNEAPOLIS, MINNESOTA

May 5, 2020

A. Project Background and Objectives

In 2012, the State of Minnesota enacted 2012 Minnesota Laws, Chapter 299 (the “Act”), to establish the Minnesota Sports Facilities Authority (“Authority”) and to provide for the construction, financing, and long-term use of a new stadium now known as U.S. Bank Stadium (the “Stadium”) and related stadium infrastructure (the “Stadium Infrastructure”) as a venue for professional football and a broad range of other civic, community, athletic, educational, cultural and commercial activities.

As set forth in the Act, the Authority may make capital improvements to design, development and construction of the Stadium and the Stadium Infrastructure, and certain capital improvements (including the purchasing of equipment) that that Authority is soliciting in this Request for Quotations (“RFQ”). This shall be referred to as the “Project” in this RFQ. To that end, the Authority has prepared this RFQ for the food service equipment. Those who respond to this RFQ shall be referred to as “Proposers”.

The Specification Documents identifying and indicating the scope of the Project are also incorporated within this RFQ as **Exhibit 1**. The Project must be completed no later than July 31, 2020 (the “Required Completion Date”).

B. Intent and Process of the Request for Quotations

This RFQ is focused on the selection of a Proposer who will provide the best value to the Authority in regards to Premium Food Service Presentation Equipment.

Proposers should have experience in the hospitality equipment field, similar to products described in this RFQ. It is the desire of the Authority to consider as part of its selection criteria the commitment of the Proposer to exert good faith efforts to comply with the plan of the Authority to ensure equitable opportunities for Minority Owned Business Enterprises (“MBE”) and Women Owned Business Enterprises (“WBE”) to participate in the Project.

The successful Proposer or Proposers must also demonstrate the ability to exert good faith efforts to comply with workforce goals and targeted zip code hiring goals, and work with organizations to develop effective MBE, WBE and workforce recruitment efforts during the Project.

The Authority has developed an Equity Plan and each Proposer should provide details describing how they will optimize the participation and utilization of appropriate workforce, MBEs and WBEs in the Proposer's RFQ.

MBEs and WBEs that are interested in acting as the Proposers for the Project are encouraged to respond to the RFP.

C. Scope of the Project Requirements

Please see Exhibit 1 for project requirements.

D. Requested Qualifications

The Authority reserves the right and discretion to determine the qualifications and responsibility of the Proposers to perform the work and services that are the subject of the RFQ. It is the request and intent of the Authority that Proposers responding to the RFQ have the following qualifications.
