**A. The following questions were submitted with respect to the Request for Proposals for 2023 Pest Elimination Services. ASM Global's answers are provided in red.**

**Questions and Answers:**

- Page 19 + 20 "Areas to be Inspected During Regular Service Visits"
  - o Fragrance and Odor Neutralizing
    - Is this specifically for neutralizing odor or do you want scents to be highlighted? **Please provide a list of scents available as part of the bid.**
    - Are all bathrooms/areas required to have devices included?
- Pricing/Frequency of Service Breakdown
  - o Is there a specific breakdown for pricing of services that you would like to have? I do not see any specifics on the RFP on timing/frequency/etc. **We currently have a weekly service provided by our current vendor. ASM is willing to evaluate other service schedules as part of the bid.**
- To follow up on our discussion, if you could please advise on how many devices are in the building as it will be very helpful when putting together the scope of service. **20 bait stations on the exterior and in the loading dock area, 2 fly bait panels in the loading dock tunnel, 250 multi catch mouse traps throughout, 90 fly lights.**
