

**Table Top Installation  
Question and Answers  
7/9/2019**

**Question:** For installation of the table tops in the attached RFQ, does the installation need to be union or standard?

**Answer:** The installation will need to be union

**Question:** the tables are spread out throughout the different club levels.....will the installers need to go to each club level to install these or will they be in one location?

**Answer:** The tables are in separate clubs, so installers will have to go from club to club to complete the work.

**Question:** Will the installers need to remove existing tops? If so, can they be disposed of on site or do they need to remove and dispose of offsite.

**Answer:** we can arrange for a dumpster to be on-site, but the cost will be passed along to the installer. If you choose to forgo the dumpster on site, the installer can take the old tabletops offsite.
